Subject: Sugar Loaf Road Reconstruction (Sec 14-00101-00-PV)

Dear Resident:

We are pleased to inform you that the suspension of ISAS (Illinois State Archaeological Survey) dig has been lifted. The survey is now underway and is expected to take approximately one month to complete. While we are unable to provide a definitive start date for the reconstruction work at this time, we want to assure you that the City of Collinsville is actively coordinating with the contractor, DMS Contracting Incorporated, to tentatively schedule the project.

We understand that the timing of this project is of significant interest to you, and we are committed to keeping you informed as new details become available. Our goal is to improve the safety of our community. We appreciate your patience and understanding as we work through these final stages of planning.

Please continue to watch for updates from the city. If you have any questions or need further assistance in the meantime, feel free to contact me.

Thank you for your cooperation!

Kevin Madden – City of Collinsville Project Engineer
Phone – (618) 346-5211 ext. 2216
