Tools for Improvement

Bicycle and Pedestrian Plan (Purple Path): The City Council adopted a Bicycle and Pedestrian Master Plan on August 13th, 2024. This plan provides guidance on priorities for connections & projects as well as increases the City's ability to receive funding for related projects.

Comprehensive Plan & Future Land Use Update: The City has contracted with PGAV consultants to update the Comprehensive Plan. This plan relies heavily on public input to guide the vision of Collinsville 20 years in the future. Join us for a Comp Plan workshop for your neighborhood!

Tools for Improvement

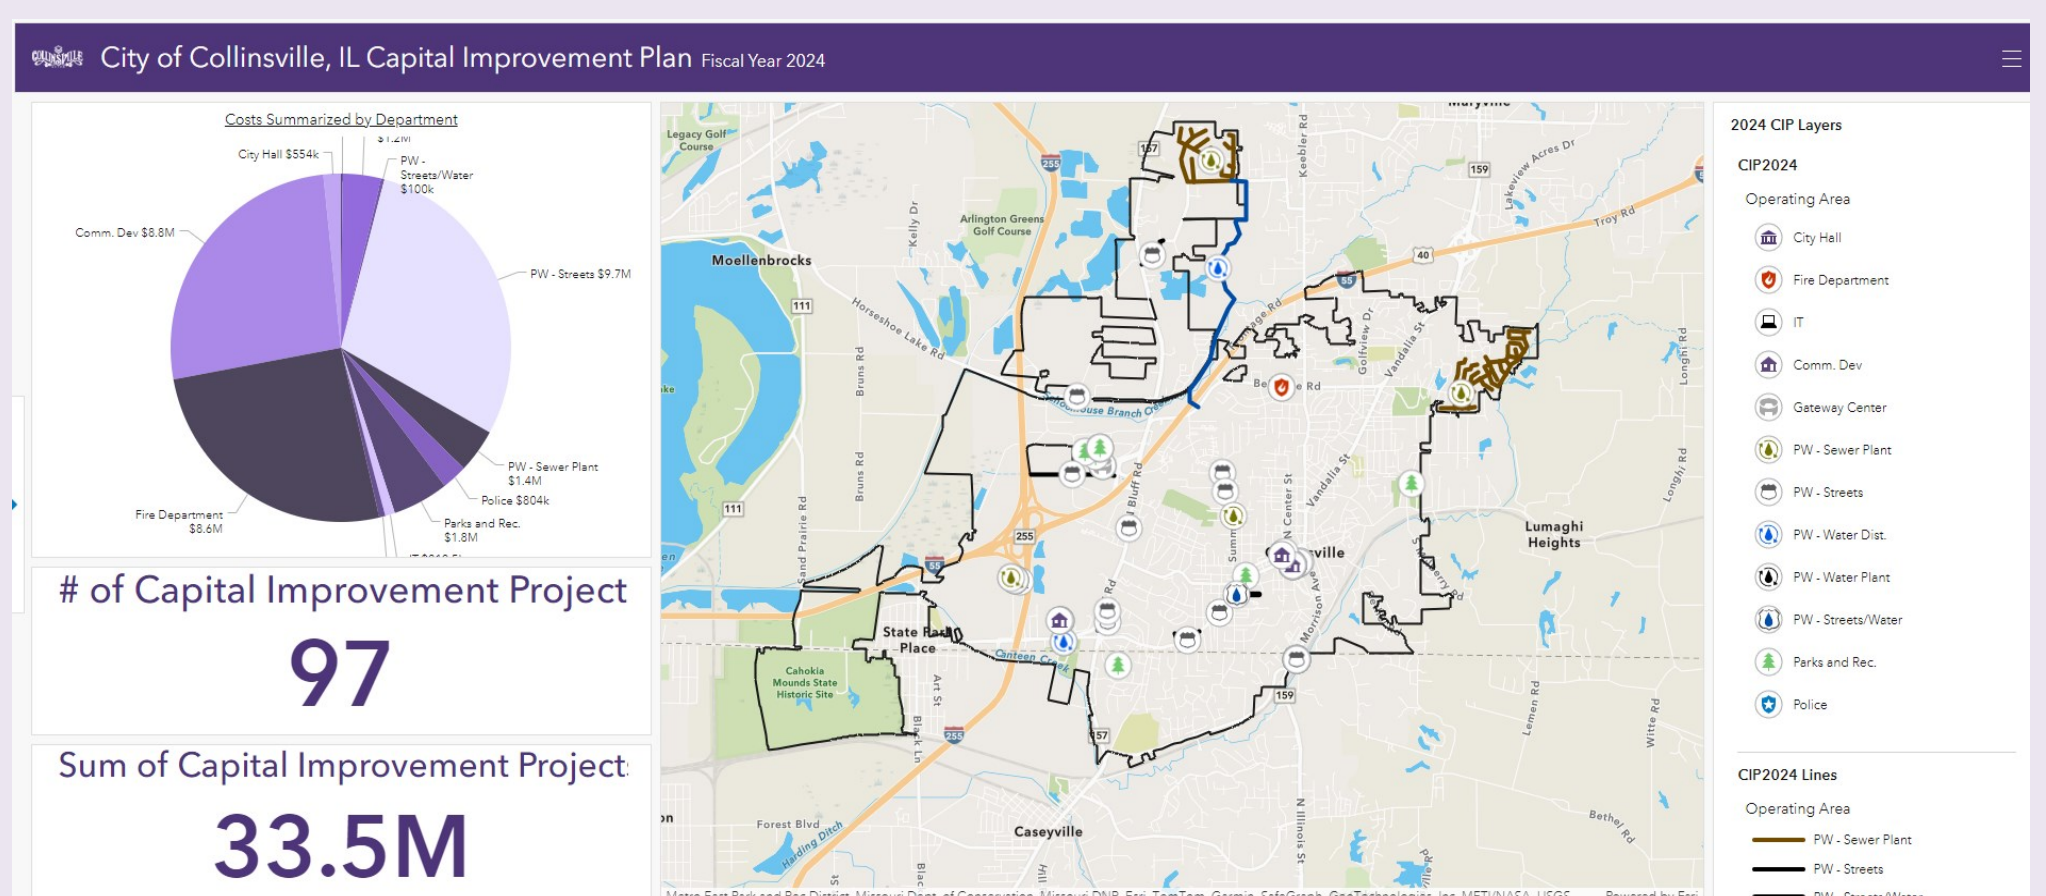

Capital Improvement Plan (CIP): allows the City to forecast capital costs, funding and timing for large projects. Each year, City departments plan out projects and improvements based upon needs, policies, programs, and adopted plans. capital improvement the CIP is reviewed by the City Council.

- ◆ Below is a table of 2024 CIP projects planned for the City Center Neighborhood.
- ◆ The City also has a Public GIS Viewer with an interactive map for CIP projects.

Code Enforcement:

Report property maintenance issues in your neighborhood to the City through the website, 311 App or a call into City Hall.
